

Peter Ho • Vice President

816-285-9560

pho@cbcrealestategroup.com

Peter Ho is a Vice President at CBC Real Estate Group. He has more than 30 years of experience in the architectural, corporate and commercial real estate industries, and specializes in corporate real estate advisory, strategic planning and project leadership services. Peter brings an extensive background in providing value-added real estate services to CBC's clients. He has been involved in several aspects of commercial real estate in Kansas City and several national markets, including office development, move management and design/construction management. Throughout his career, Peter has been responsible for the development of over \$200 million in real estate projects.
